General and Revenue Secretariat | File No. | of 194 | [App. F. III-2

Serial No.

Resolution of the D.B. is perhaps dealt with in the Dsg. Branch. The S.S. states that after the resolution of the B. is sanctioned for remission of the dues to the D.B. by the Village Panchayat of Kodigenahalli, the question of converting the Subsidised dispensary at the place into a L.F. dispensary will be immediately taken.

2) The Dsg. Branch will be consulted to note whether orders were issued on the resolution of the Board.

No. L-8136 / VP-68-44-1

Dated, Bangalore, 19th February 1945

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore,

Law Department.

To

The President,
District Board,
Tumkur District
through the Deputy Commissioner.

Sir,

With reference to the correspondence ending with your letter No.C 44/43-44 dated 22nd April 1944 regarding the contributions payable by the Village Panchayats towards the maintenance of Local Fund and other Dispensaries, I am directed to state that it is seen from the information furnished by the other District Boards in the matter that it is only the District Board of Tumkur that has insisted on the payment of quota from the Village Panchayats towards the maintenance of Local Fund and other Dispensaries in the District.

In this connection, I am to draw your attention to the Government Order No.L.6347-33/V.P.42-31-3 dated 16th March 1932 wherein it is laid down that it is not the obligatory duty of the village panchayats to contribute towards Medical relief and that it is not therefore justifiable to impose compulsorily a quota on the Village Panchayats in respect of the Medical relief provided in the villages. Government see no reason as to why an exception should be made of the Tumkur District in this behalf.

In the circumstances Government consider that the Village Panchayats should not be asked to contribute any quota in this behalf except in special cases where the Village Panchayat in question is able and willing to contribute a quota i.e., on a voluntary basis depending on its ability.

It is the duty of the District Board to start and maintain such institutions in villages meeting the entire charges out of their funds, after considering the needs of the localities and the Board's financial condition and without relying or depending upon the promised contributions.

I have the honour to be,
Sir,
Your most obedient servant,

Subject:- Re: the conversion of the Rural Dispensary at Midigesi into a L.F.Dispensary on a reduced scale.

D1950

In continuation of my letter No.C.3122-17 dated 1st October 1942, soliciting the orders of Government about obtaining the approval of the Revenue Commissioner to the contribution payable by the Village Panchayets for the above Institution, I have the honour to invite reference to my letter No.G.C.437-32 dated 3rd December 1942 forwarding the approval of the Revenue Commissioner in connection with the opening of a Reduced Scale Dispensary at Gorur, and to request that a Standing Order of Government may be issued requiring the Deputy Commissioners to obtain the sanction of the Revenue Commissioner for the payment of Village Panchayets' contribution for either converting a District Board or Subsidised Rural Dispensary into a Reduced Scale Dispensary or for opening a Reduced Scale Dispensary, as this procedure will regulate the opening of dispensaries in cases where the Village Panchayets come forward to pay their share of cost.

In this connection, I may state that proposals are under consideration for the opening of Reduced Scale Dispensaries in the marginally noted places in the Tumkur District and final proposals to Government are withheld pending orders of Government on the subject.

I have the honour to be,
Sir,
Your most obedient servant.

93) On submitting a note in the matter, the Minister for P.W. was pleased to observe that it is only in the Zemindari that assistance is being made to the V.P.S paying their quota of contributions in this behalf and that as the V.P's are not in a position to meet the expenses on these primary duties, the question of the Dist Board may be called for as to whether this charge may not be relieved of this Allocation. The Dist Board, Dumka has been written to accordingly. (vide copy of letter no L 8354/L.B/3-41-145 dt 19-2-43 placed in the file relating to the opening of a dispensary at Hebbur)

Having regard to the above facts, each case may perhaps be dealt with on its merits. The Dist Board Dumka should be asked to meet both the initial & recurring charges in this case, pending orders of Govt re Contributions from village panchayats in this behalf.

121 Subd. The information received from the Presidents of Dist Boards, in regard to the Medical Contributions by the V.P.s, is considered

(vide statement put up below)

122 It is seen therefrom, that in the case of the Tuticorin District only, Medical contributions are being paid by the V.P.s to the Dist. Board, in respect of a number of institutions. A balance of Rs 12,311-3-9 is still outstanding against the V.Ps in respect of the above contributions, in the Tuticorin Dist.

123 As regards the opening of a L.F. Dispensary at Michigeri the Tuticorin Dist Board have intimated that it is not possible for the Board to pay the entire charges and that the proposal to convert

convert the Dispensary may be kept in abeyance.

14 The Board have also stated in a subsequent reference that the proposed Revised Scale Dispensary at Muganaikanakkete, Gubbi Taluk, may be started only, if the local V.P. together with the surrounding VPs which are benefited by this Dispensary, is agreeable to contribute ⅓ grants to the District Board.

15 Noted with reference to paras 59 and 112 supra.

13/1 16 It is also seen from the statement that while no contribution is being paid by the Village Panchayats in Tumkur, Mysore, Kadur, Chitaldrug & Mandya DTs & a sum of Rs 50 & a sum of Rs 220 are being paid from some VPs of the Shimoga & Hassan DTs respectively, an average sum of Rs 4,450 is being paid by the Village Panchayats of Tumkur DT. Besides this, the financial position of the District Board Tumkur is also satisfactory

13/1 17 The information received from the Presidents of District Boards has been considered in a statement (Flag R) and laid for perusal under reference to the orders of the Minister at para 112 supra

Board have received corresponding a
Resolution to the effect that the
Village Panchayat of Kilpauk and
other surrounding village Panchayats that are
benefited by the revised scale of pensions
to be established should agree to pay
one third of the cost of the Ward ; My
Government is fully alive to the
heavy expenditure which the Ward will
involve to meet this charge, the Village
Panchayats should be allowed to contribute till
the duration of the war.

With regard to the views of the
Corporation of Madras that the scale
of pensions which it has laid down for
the Revenue Board should apply to
the Village Panchayats to contribute in
this behalf, may perhaps be approved. This would
enable the opening of three medical institutions
specially in the Chingleput District which are held
up owing to the non-settlement of the question
relating to the contribution from the village
Panchayats.

Sir,

In continuation of my letter No.C.2209-27 dated 20th May 1942 regarding the conversion of the present Subsidised Dispensary at Kodigenahalli into a Reduced Scale Dispensary, I have the honour to state that the District Board, Tumkur have resolved on 22nd June 1942 to remit half of the arrears of contribution due to them by the Village Panchayet of Kodigenahalli and have applied for sanction of Government to this resolution (please vide letter No.C.610/41-42 dated 12th July 1942 addressed to Government by the President, District Board, Tumkur). I visited Kodigenahalli on 10th July 1942 and the people seem to be in great earnest about the starting of a regular dispensary in lieu of the present Subsidised Dispensary there. Government have in their order No.G.2596-600/Med.14-40-29 dated 11th September 1941 already sanctioned the conversion of the Dispensary at Kodigenahalli into a L.F.Dispensary. Effect can be given to this order immediately after sanction is accorded to the resolution of the District Board about waiving the contribution due to them by the Village Panchayet. I therefore request you to be so good as to obtain very early orders sanctioning the resolution of the District Board.

I have the honour to be,
Sir,

With reference to your letter No.G. 884/Med. dated the 13th July 1942, I have the honour to forward herewith a statement showing the amount contributed by the respective District Boards and Municipalities for the maintenance of all the Local Fund and Rural Dispensaries in the State. Information regarding the amount contributed by the Village Panchayets is not forthcoming in this office as according to existing Government Orders, it is only the District Boards and the Municipalities who have to bear the recurring cost of maintenance in certain agreed proportions. Whenever any contributions are received from the Village Panchayets, they are credited to the District Boards who are primarily responsible for the payment of their quota of contribution to Government

Sir,

In continuation of my letter No.C.3122-15 dated 11-8-1942, stating that the District Board and the Village Panchayet are agreeable to meet their share of cost towards the conversion of the Rural Dispensary at Midigesi into a L.F.Dispensary on a reduced scale, I have the honour to forward herewith a copy of letter No.V.P.C.3378/39-40 dated 15-9-1942 received from the Deputy Commissioner, Tumkur District, stating that the approval of the Revenue Commissioner to the resolution of the Village Panchayets agreeing to contribute 1/3 of its share of cost towards the opening and maintenance of the dispensary is not necessary in view of rule 57 published on page 53 of the Village Panchayets Manual and in the instructions issued in light of/G.O.No.L.3606/L.B.26-26-101 dated 3-12-1926.

I still feel that the Revenue Commissioner who is the controlling authority should guarantee the payment of the Village Panchayet quota for credit to the District Board Funds annually, as in the case of appointment of midwives and weekly visits by Sub Assistant Surgeons (vide G.O.No.G.3411-33/P.H.90-35-12 dated 20/24-11-1936 and G.O.No.G. 6921-38/Med.164-38-2 dated 16-1-1939).

Subject:- Conversion of the Rural Dispensary at Midigesi into a Local Fund Dispensary on a reduced scale.

With reference to your letter No.C.3122-3 dated 19-5-1942 calling for information whether the Revenue Commissioner has accorded approval to the resolution of the Village Panchayets agreeing to contribute 1/3 of the cost of the establishment of the proposed Local Fund Dispensary at Midigesi on a reduced scale in place of the rural dispensary, I have the honour to state that the ability of Midigesi Village Panchayet to contribute 1/3 of its share of village panchayet quota towards the maintenance of the dispensary is clearly set forth in this office letter No.D.Dis.V.P.C.3378/39-40 dated 23rd May 1942, and the approval of the Revenue Commissioner to the resolution of the village panchayet in question is deemed to be unnecessary in view of rule 57 published on page 53 of the Village Panchayet Manual and in the light of instructions issued in G.O.L.3606/L.B.26-26-101 dated 3-12-1926.

Sir,

Sub: Conversion of the Rural Dispensary at Midigesi into a Local Fund Dispensary on a Reduced Scale.

With reference to your letter No.G.14534/Med. dated the 15th June 1943, I have the honour to state that the Deputy Commissioner, Tumkur was requested to get necessary sanction for the contribution promised by the Village Panchayet of Midigesi towards the maintenance of a Reduced Scale Dispensary. He states that the financial position of the Village Panchayet does not admit of payment of such a contribution. He adds that the finances of the panchayet are not sound when examined in the light of its normal income and expenditure. I have, therefore, requested the President, District Board, Tumkur to intimate whether they would meet the entire cost, except the pay of the Sub Assistant Surgeon and the cost of Europe medicines towards the opening and maintenance of the institution. On receipt of a reply from him, a further report will be submitted to Government. A reminder is being sent to-day.

Sir,

Adverting to your letter No.L.10454-61 dated 8-4-1944 enquiring if this Board is in receipt of contributions from the Village Panchayats of this District towards the maintenance of Local Fund and other Dispensaries, I have the honour to reply in the affirmative and to state as follows:-

There are 23 Villages in the District which are provided with the Local Fund and Other Dispensaries apart from the places to which the Ayurvedic Vaidyasalas are given. Out of these 23 village Panchayats, only 2 of them namely Rudrapatna and Keralapura Village Panchayats in Arkalgud Taluk have been contributing towards the maintenance of the Local Fund Dispensary and Ayurvedic Dispensary respectively. In the case of the latter Village Panchayat, the payment of contribution of Rs. 120/- per annum is stopped from the date of opening of a Rural Dispensary at the place as per Government Order Nated 22-7-1942.

The annual demand of contribution is Rs. 100/- in respect of the dispensary at Rudrapatna and Rs. 120/- in respect of Kerlapura. A sum of Rs. 800/- for the past 8 years was due from

Subject: Re: establishment of a Reduced Scale Dispensary at Muganaikanakote, Gubbi Taluk.

—

In continuation of this office letter of even No. dated 14th August 1944, on the above subject, I have the honour to forward herewith a copy of the letter No. C. 418/41-42 dated 12th December 1944 addressed to the Senior Surgeon in Mysore, Bangalore, together with copies of the resolutions passed by the District Board at their meeting held on 26th October 1944 and 27th October 1944, in the matter of establishing a Reduced Scale Local Fund Dispensary at Muganaikanakote, Gubbi Taluk, as desired in your letter No. L. 1132/L.B. 48-44-6 dated 8th August 1944.

Forwarded with compliments. In my opinion there is no need for a dispensary at Muganaikanakote sd. N. Madhava Rao Deputy Commr. Tumkur

Letter No. C. 418/41-42 dated 19th December 1944 from the President, District Board, Tumkur to the Senior Surgeon in Mysore.

—

Subject:- Re: establishment of a Reduced Scale Dispensary at Muganaikanakote, Gubbi Taluk

—

With reference to your letter No. C. 3266-17 dated 10th March 1944 and subsequent reminders on the above subject, and requesting to send a revised resolution whether the District Board would itself agree to meet the entire initial and re-curring charges of the dispensary, I have the honor to state that this subject was placed before the District Board at their meeting held on 26th October 1944 and they have resolved that a Reduced Scale Local Fund Dispensary might be established, if the village panchayet of Muganikanakote and other surrounding village panchayets that are benefitted by this agree to contribute 1/3 quota to the District Board.

In this connection, I wish to state that the District Board is spending a very heavy sum towards the medical aid. Besides,

a sum of Rs. 5,643/- towards the dearness allowance of the medical staff is being paid by the District Board. Such being the case, the District Board is not in a position to meet the entire charges without getting contribution from the Village panchayets. Regarding the discontinuance of the contribution by the panchayets concerned either wholly or partly and also writing off the dues of the village panchayet as recommended by Government. a separate resolution has been passed by the District Board on 26th October 1944 to the effect that (1) Government might be requested to pay 1/3 quota of the expenditure payable by the District Board, but which at present is being paid by the village panchayets, (2) that the contributions due by the several panchayets up to end of 1943-44 might be written off as recommended by the Deputy Commissioner and that from 1944-45 the village panchayets concerned will have to pay the contribution as agreed to by the Deputy Commissioner (3) that if a single village panchayet concerned is not able to pay the surrounding village panchayets who are benefitted by this will have to contribute till the question is settled finally by the Government, and a separate reference will be made to Government in this behalf.

Under the above circumstances, I am of opinion that the village panchayets contribution might be continued till the duration of the war. Further, I request you to kindly obtain sanction of Government to the resolution of the Board for establishment of a Reduced Scale Local Fund Dispensary at Luggnaikanakote, Gubbi Taluk.

Copies of the resolutions passed by the Board in the matter are herein enclosed for kind reference.

REFORMS IN INDIAN STATES ~~WORKING~~ OF THE PANCHAYAT SYSTEM

OFFICE OF THE MINISTER FOR L. S. G. & P. H. Date 26.4.44 No. 7345

My dear Vedavyasacharya,

I am desired to state that the ~~Secretary~~ of State has asked for an appreciation of the value, as shown by experience, of the panchayat system in Indian States. He would be specially interested to know whether panchayats tend to increase good relations between state officials and the population, or merely to make the latter more vocally critical of the former; and whether in fact they make for collaboration or for irresponsible criticism.

2. The Hon'ble the Resident would be glad to have the confidential views of the Mysore Government on these points.

Yours sincerely,

A. R. Brahe

V. Vedavyasacharya, Esq., M.A.,

GEN. & REV. SECRETARIAT. 7017 9 MAY 1944 L.S.G. BRANCH.

Sir,

With reference to your letter No. L.11013/V-P. dated the 29th April 1944, regarding the appreciation of the value of the working of the Village Panchayet System, I have the honour to state that, it is a little over 17 years since the Village Panchayet Act came into force in the State, and during this period 12,068 Panchayets have been constituted. A large majority of them have become accustomed to holding meetings, levying Taxes, preparing annual Budgets and undertaking small works of local utility. This may be regarded as the minimum level of performance attained by the least active bodies. But the more advanced Panchayets - their number is considerable in the Maidan Districts - have reached a much higher standard and shown varied activities by constructing Drinking Water Wells, Approach Roads and Village Halls, arranging for Medical Aid, Street Lighting and Village Scavenging and providing Village Libraries and other amenities. A number of Village Panchayets is levying optional Taxes in order to help them to carry out their self-imposed additional duties. The weekly tidying up of Village Sites is also a feature of the work of the more active Panchayets. In some cases several miles of Inter Village Roads have been built by the concerted action of the Panchayets under the guidance of energetic Amildars.

2. A retrospect on the working of the Village Panchayets in the State shows that there has been good response from them as also from the rural population in the various ameliorative measures adopted by Government from time to time such as,

P

as, the Rural Water Supply Scheme, Inter Village Communications and Five Year Plan of Rural Reconstruction recently inaugurated by Government. Most of the Panchayets have been managing their local affairs satisfactorily and - - - instances of supersession of Panchayets for incompetency, default or abuse of powers are very rare. The public in general are taking interest in the Panchayet Administration and have come forward with munificient donations for the construction of Dispensaries, Maternity Homes, Schools, Roads and other works of Public Utility in rural areas. Instances of friction between Local Officers and the Village Panchayets are very rare. Past experience has shown that the Scheme has definitely tended to promote good relations between the officials and the people resulting in greater collaboration on the part of the people in working the Schemes adopted by Government for their betterment.

I have the honour to be,
Sir,
Your most obedient servant,

Revenue Commissioner.

D. 22nd May 1944

Dear Sir,

With reference to your D.O.letter No.Pol.15-44 dated the 11th April 1944 regarding the appreciation of the value of the working of the Village Panchayet System in the State, I am desired to state as follows:-

Signed by me
C.N. Naidu

The Mysore Village Panchayet Act was promulgated in the year 1926, and since then, 12,068 Panchayets have been constituted A large majority of them have become accustomed to holding meetings, levying taxes, preparing annual budgets and undertaking small works of local utility. The more advanced Panchayets have shown varied activities by constructing drinking water wells, approach roads and village halls, arranging for medical aid, street lighting and village scavenging and providing village libraries and such other amenities. Many of the Panchayets evince keen interest in the weekly tidying up of villages. In some cases, several miles of inter-village roads have been formed by the concerted action of the Panchayets under the guidance of the local officers.

A retrospect on the working of the Village Panchayets in the State shows that

that there has been good response from them as also from the rural population in the various ameliorative measures adopted by Government from time to time, such as, the Rural Water Supply Scheme, Inter Village Communications Scheme, and the Five Year Plan of Rural Reconstruction which has been recently inaugurated by the Government. Most of the Panchayets have been managing their local affairs satisfactorily and instances of supersession of Panchayets for incompetency, default or abuse of powers are very rare. Instances of friction between the local officers and the Village Panchayets are ~~rare too and~~ negligible. Past experience has shown that the working of the Panchayets has definitely tended to promote good relations between the officials and the people, resulting in greater collaboration on the part of the people in working out the schemes adopted by the Government. The Village Panchayets are really sharing with the Government the responsibility of providing amenities in the rural areas and are gradually gaining importance by their useful work and good relations with the officers of the Government.

Yours sincerely,

A.E.Drake, Esq., I.C.S.,
Secretary to the Hon'ble the Resident in Mysore,
